WORK EXPERIENCE

Parental responsibilities and farming 01, 2015 - present

- I moved to the UK in 2015 seeking new opportunities
- I landed on a farm which I look after on a part-time basis
- In 2017 my first child was born and I committed to being the main carer
- 2019 marks the beginning of my tech journey while still being a carer and looking after the farm
- During Covid, I committed to changing my career and embarked on a Diploma
- In 2022 I got my Diploma in Full Stack Development with Code Institute.

Assistant Project Manager 05, 2013 - 12, 2014

Laconseil – Iasi, Romania

- Successfully wrote and delivered more than 10 EU-funded projects, resulting in increased revenue for the organizations involved
